

Sensational Kids

Realising Potential Together

Continuity of Therapy

Sensational Kids is committed to providing all our clients with exceptional therapeutic support. Consistent, regular therapy over a sustained period of time supports the development of your child's skills and thus the ability of your child to reach their therapeutic goals and maximise their developmental potential.

Inconsistent or sporadic attendance impacts negatively on the child's potential to benefit maximally from the therapeutic programme and thus on their progress and overall skill development. Please endeavour to bring your child regularly for therapy and to commit to the duration of the therapeutic programme.

We would like to politely remind you of our Cancellation and Non-attendance Policy

When a client cancels or reschedules without giving enough notice, they prevent another child from being seen. Please understand that when you forget or cancel your appointment without giving enough notice, we miss the opportunity to fill that appointment time, and other children miss the opportunity to receive much-needed services.

All appointments are confirmed 48 hours in advance with text reminders because we know that sometimes life is busy and appointments might be forgotten.

Our clinical team have set time aside for your care and a fee will therefore be charged upon non-attendance or cancellations and for requests to reschedule appointments with less than the required notice given.

- When making a booking with one of our staff, payment will be taken to secure your booking. If a cancellation or a request to reschedule an appointment is made 48 hours prior to the appointment, this payment will be reallocated to your rescheduled appointment.

To reschedule an appointment, please contact us at your local centre (calls left on the answering machine will be logged at the time they came in)

Sensational Kids

Realising Potential Together

Cancellation/Rescheduling of an appointment with less than 48 hours' notice may mean that we are unable to re-allocate the time to other children. Therefore, cancellations and appointment rescheduling requests that are made with less than 48 hours' notice will be subject to the following cancellation policy:

- In the instance of non-attendance on the day without any notification or cancellations with less than 48hours notice, the payment made when booking will be taken and is non-refundable or transferable.
- In the event of you having to cancel a scheduled appointment on the day due to sudden illness, there will be a minimum charge of €25 which will be deducted from the payment made on booking the appointment. Whilst this charge will not fully cover the cost of the lost treatment time it will enable us to contribute towards paying our team and to partly cover our overheads. As a social enterprise providing you with subsidised therapy services, we would appreciate if the full amount could be paid, where possible, to help us pay our team and cover our overheads.

Non-attendance fees are the sole responsibility of the client and must be paid in full, ensuring their account is cleared before their next appointment.

If therapy is being covered by your insurance company, the company will not cover cancellation and non-attendance fees. These fees will be the responsibility of the client.

Therapy may be discontinued for clients who frequently cancel within 48 hours or have non-attendance three or more times in a 3-month period. Should you wish for therapy to be continued again, your child will be placed on a holding list for the next available therapy block.

We reserve the right to also ask you for a deposit towards assessment costs and payment in full for therapy treatments at the time of booking appointments, which will then be deducted from the cost of your appointment or assessment.

Thank you for understanding the importance of keeping your appointment.
